LARGE CONGREGATION AT TRINITY CHURCH

Miss Ladyzinski Gives Her Personal Experience at Friday Evening Service.

It took only the announcement that Selma Ladyzinski, the soloist who is assisting Mr. Everts at the Trinity Baptist church revival, would give her personal experience at the Friday night service to literally pack the large auditorium. Not since the union of the two churches has such a crowd been present. For nearly a half hour she held her audience spell-bound with the wonderful story of her

life, and what it had cost her to leave all and follow the lowly Christ. As she told of the privations, persecutions and hardships, even to the separation of the home (she many were moved to tears and when in closing her remarks she spoke of the great joy of having the constant presence of her Lord with her, through it all, many were let to see that, even though it had cost so much it "paid to serve Jesus." Her two solos were sung in a most effective way and touched the hearts deeply.

Mr. Everts and Rev. Mr. King followed by a few appropriate remarks urging all present to leave all and follow the Lord with lives of active service. The closing moments were most impressive. Some expressed their desire to become Christians and others to consecrate themselves to God's service.

Tomorrow will be a busy day for these workers. Not only are they to speak and sing at the regular church services but will conduct a special meeting for men only at the Columbia theater at 2:30 o'clock. Rev. W. A. King, the pastor, will preach at the 10:30 morning service and Mr. Everts at 7 p. m., when the subject will be "Eternity, Where Will You Spend It?" Miss Ladyzinski will sing at all these services to which everybody is cordially invited.

Suffragettes in Indiana.

Indianapolis, Ind., March 9.—Suffragettes of Indiana met here today to plan a movement to have both the Democratic and Republican state conventions declare in favor of votes for women in their platforms. It was expected that the Women's Franchise league, under whose auspices the meeting was held, would appoint a committee to visit the party leaders in the interests of the proposed platform plank. The Equal Suffrage Association of Indiana already has appointed a committee to work for the declaration.

Thomas Taggart, Indiana member of the Democratic national committee, today declared himself in favor of partial suffrage for women. "They should have a vote, he believes, on all questions connected with the public schools. He refused to commit himself further.

THE FEATURE OF THE PROGRAM

The feature at the Sun theater for this coming Monday, Tuesday and Wednesday is the Nannie Fineberg company, and this all on account of the little girl actress. One minute the little one lets out something which would make even a baldheaded man laugh, and the next she has him dignified for his handkerchief. Her work on the piano is good, her impersonations are better and for just all-around acting she deserves better things, which, beyond doubt, are in store for her. And do not overlook the Dutchman and Coon, also Sam Hook, the greatest blackface comedian known on the stage today. And do not miss Continuo and Lawrence who are the original upside down dancers on the stage today.

RIGHT TO REMOVE CASE IS DENIED

Petition Filed in Case Against Ohio & Western Lime Company.

MRS. NEIDIG ASKS DIVORCE

Case Involving Possession of Safe Dismissed This Morning.

Attorney J. W. Jacoby is Appointed Guardian ad Litem For Minor Defendants—Trial of Phillips and Martin Will Begin Tuesday March 12.

An unsuccessful attempt on the part of the defendant in the case of Miriam Bertrand, administratrix of the estate of James L. Bertrand, deceased, against the Ohio & Western Lime company, to remove the case from the common pleas court to the district court of the United States at Toledo, was made this morning.

Through his attorney, Fred M. McSwaney, of Columbus, Ohio, the Ohio Western Lime company filed a petition, asking the removal of the case on the grounds that the people involved in the case were citizens of different states and that the amount in dispute exceeded \$3,000. A bond of \$500 was filed with the petition as security of the costs in the United States court.

By reason of the fact that the time for the filing of the petition for removal had expired, Judge Scofield decided that he had no jurisdiction in the matter and declined to approve the bond. His failure to approve the bond makes it impossible to carry the case to the higher court.

The case is the outgrowth of an explosion which occurred at the quarry of the Ohio & Western Lime company, Jan. 4, 1912. James L. Bertrand, an employee of the company and another workman, were killed by the explosion and Mrs. Bertrand brought suit to recover \$10,000 damages. She is represented by Attorneys DeGolly & DeGolly.

Asks for Divorce.

On the grounds of extreme cruelty and gross neglect, Christina Neidig, through her Attorney, Christinger & Gothery, filed a petition for a divorce from her husband, Hubert Neidig, in the common pleas court this morning. The petition alleges that the defendant is addicted to the use of intoxicating liquor and that he frequently used profane, vile and obscene language toward the plaintiff.

Mrs. Neidig further states in her petition that on or about May 20, 1911, her husband threatened to kill her with a butcher knife. At that time she says she left her home and remained with friends and relatives until August 6, 1911, when she was induced by the defendant to return and live with him. Later she left him again.

The plaintiff asks for reasonable alimony pending the suit, the care, custody and education of their minor child and that the defendant be restrained temporarily from disposing of or encumbering certain furniture, household goods and property described in the petition.

The couple were married April 23, 1909 and have two children, one of whom is married.

Guardian Appointed.

On the motion of the plaintiff in the partition suit brought by John C. Luvist against Gus L. Luvist and others, Judge William E. Scofield this morning appointed J. Wilbur Jacoby guardian ad litem for Elizabeth Merriam and Hugh A. Luvist, minor defendants, with leave to file an answer, instant.

Eudora Luvist, Harding, as guardian of the property of Elizabeth Merriam and Hugh Luvist, urged their motion, was made a party defendant in the case with leave to file an answer instant.

Leave to File Answers.

In the partition suit of Mollie Butler against Martha Underwood and others, the court granted Andrew J. Underwood and Mary Underwood leave to file answers by March 17, 1912. L. G. Irey was made party defendant in the case.

Case Dismissed.

The replevin suit brought by Lenox Heber against George W. Clark in the common pleas court on appeal from the justice court, has been settled satisfactorily out of court and the case was dismissed this morning by Judge Scofield at the cost of the plaintiff.

Heber brought suit against Clark to secure the legal right to a safe, which Clark claimed was included in the deal when he bought the old Milford Pressed Brick company's plant from Heber sometime ago. The safe has been delivered to Clark.

Granted Lead to Plead.

In the matter of Charles G. Avers against the Prospect Oil & Gas company, leave has been given the defendant to plead March 23, 1912.

Cases Assigned.

This morning Judge Scofield assigned the following cases: Fluch against the village of Green Camp, Monday, March 18; Merkle against Foye, Monday March 18; Jenkins as administrator, against Peardon, Monday, March 25.

Beginning Tuesday, March 12, the case of the state of Ohio against Frank Phillips and Joseph Martin will be heard in the common pleas court. The case of Maule against Merchant is assigned for Thursday, March 14.

MORE POLICEMEN NEEDED ON FORCE

Declares Chief of Police J. F. McDonough This Morning.

THIEVES KNOW THE SITUATION

Trial of Pasquale Piluso Continued Until Tuesday Night.

Resident of Wood Street Bothered by Neighbor's Chickens—Colored Man Is Taken to the County Infirmary. Civil War Veteran Arrested This Morning.

"Every thief and yegg in the country knows that there is but three policemen on duty nights in Marion's Fortbushness district," Chief of Police McDonough stated this morning, relative to the need of more men on the police force of the city. "Marion has the reputation of being the easiest town in the state for thieves to operate in. I'm going to have the night force report for duty at two o'clock in the afternoon on Saturdays in the future. The men say they are willing to do the extra work."

The chief stated that although he was fully aware of the situation here in Marion, he was told by Pat Casey, whom he escorted to the workhouse to serve a sentence for begging on the streets, that Marion was without adequate police protection and that thieves and robbers over the country knew it.

An effort will be made to secure additional men for the force.

Bothered by Chickens.

In a personal letter to Mayor C. D. Walters this morning, E. T. Rockwell, 816 Wood street, writes that his neighbor chickens are decaying a nuisance. He says that the fowls are allowed to wander over his lot, porch and walks and that he is tired of contending with them.

Taken to the Infirmary.

Earl Williams, colored, of Mt. Vernon, Ohio, who was found in the Pennsylvania station yesterday by Officer Thompson, was sent to the county infirmary this morning after being given medical attention by Dr. J. B. Taylor at the city prison. The young man was suffering intense pain and his temperature registered 104.

Aged Man Arrested.

William Green, an aged civil war veteran, who makes his home with his granddaughter, Mrs. Henry Grossglum, 451 Windsor street, was arrested this morning by Officer Thompson, after a charge of drunkenness had been preferred against him by Henry Grossglum.

When arraigned before Mayor C. D. Walters this morning, Green pleaded not guilty to the charge, contending that he had done nothing, which would cause his arrest. He had been drinking, Grossglum claimed, and his hearing was set for Monday morning. Upon his failure to furnish bond, he was lodged in the city prison.

Trial Continued.

The trial of Pasquale Piluso, of Glad street, charged with beating his fourteen-year-old daughter, Theresa, by Hamann Officer W. E. Eis, was continued last night by Mayor Walters, until Tuesday evening at seven o'clock. Piluso will be represented by an attorney from Dayton at that time.

Glorious News.

Comes from Dr. J. T. Curtis, Dwight, Kan. He writes: "I not only have cured bad cases of eczema in my patients with Electric Bitters, but also cured myself by them of the same disease. I feel sure they will benefit any case of eczema." This shows what thousands have proved, that Electric Bitters is a most effective blood purifier. It's an excellent remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Trial of McFarland.

Pittsburg, Pa., March 9.—The Rev. Dr. W. D. McFarland, aged United Presbyterian minister, charged with having caused the death of his former secretary, Miss Elsie Dods-Coe, will be placed on trial next Thursday.

The date for the trial had been set for next Tuesday but Attorney Homer L. Castle, who will represent the minister, told the court late yesterday afternoon it would be impossible for him to be here Tuesday. District Attorney Blakely finally agreed to set the trial for Thursday.

MISTAKE IN A TELEGRAM

Reported This Morning that Edward Salisbury is Dead.

Word Received From Him This Afternoon Denies Report.

Mrs. Anna Salisbury, of West Center street, was greatly shocked this morning to receive a message from Olean, New York, which said "Edward died last night, (signed) Mrs. Ryan."

Mrs. Salisbury has a son Edward Salisbury, who is a student at the Jefferson Medical college, in Philadelphia, Pennsylvania, who has been very ill recently of appendicitis. The family immediately began making arrangements for bringing the remains home, when they were stopped in their preparations this afternoon, by the receipt of a second telegram saying: "Mother, what's the report? I am alive and well, Edward."

The only explanation which can be given by Mrs. Salisbury to whom the telegram was addressed, is that it must have been a cousin who has died and not her son. She received the message over the telephone and did not see the address from which it was sent, and being overcome with grief, made no inquiries.

MARGARET CLARY DIES SATURDAY

An Aged Woman Is Claimed by Death.

Mrs. Margaret Clary, an aged resident of Marion, passed away Saturday morning at 5 o'clock at her home on North prospect street. Death was the result of a complication of diseases, from which the deceased had suffered for several months.

Mrs. Clary was born in Kingsville, Scotland, 87 years ago, and was formerly Miss Margaret Huxton. She came to this country 45 years ago and three years later married Michael Clary, who died three years ago. She is survived by two sons, John and Thomas Clary, both of Marion, and a niece, Miss Anna Clary.
